The Court orders that the delayed application for leave to appeal the September 9, 2009, order of the Wayne Circuit Court is DISMISSED for lack of jurisdiction. In Docket No. 244402 and Docket No. 262643, this Court previously dismissed defendant's delayed applications for leave to appeal for lack of jurisdiction from orders denying defendant's motions for relief from judgment under MCR 6.500 *et seq.* Likewise, the September 9, 2009, order appealed in this case is a denial of a successive motion for relief from judgment, at least defendant's fifth such motion filed since 1995, and a violation of MCR 6.502(G)(1). None of the exceptions found in MCR 6.502(G)(2) are applicable.
